

Skanska 1:1 Sessions at Tabor 100

Are you interested in working with Skanska but don't know where to start? Do you want to know about upcoming projects or Skanska's technical assistance program? New to the industry and looking for advice on business development, community organizations, or upcoming events? Schedule time with Skanska to discuss!

In collaboration with Tabor 100, Skanska's supplier diversity program is looking to connect with small, women, minority, diverse or veteran-owned businesses engaged in non-residential construction. *Our goal is to assist firms in preparation for upcoming bid opportunities and getting set up with our systems.*

- Who: Small non-residential construction businesses specializing in demolition, drywall, MEP, landscaping, engineering, architecture and more.
- What: One-on-one in-person sessions. Each session is scheduled for 45 minutes.
- When: Every fourth Monday of the month (1-4pm) *we will not meet in November and December*
- Where: Tabor 100 Office (7100 Fort Dent Way # 100, Tukwila, WA 98188)
- What to do: Reach out to Courtney Fraga to schedule a one-on-one session. Don't forget your capability statement and laptop!
