Tacoma Power Administrative Complex

Parking & Storage Construction Subcontractor and Vendor Outreach

Project: Tacoma Power Administrative Complex
Parking & Storage Improvement Project

Owner: City of Tacoma - Tacoma Power

When: Thursday, June 11, 2026

Time: 7:30 a.m. to 9:30 a.m.

Location:
TPU Auditorium
3628 S. 35th Street
Tacoma, WA 98409

General Project Information:

The project includes design, procurement and construction services for improvements to the Tacoma Power Administrative Complex, including a new addition to the existing Shops Building, new canopy-covered and/or enclosed parking and storage areas, site circulation and access improvements, paving, utilities, fencing/gates and selective demolition. Construction will be phased to maintain Tacoma Power operations on an active campus.

Delivery Method: Progressive Design-Build

Upcoming Scope Opportunities:

Early site, foundation, and building scopes; covered parking/canopy and enclosed storage work; site improvements; general requirements including final cleaning, temporary fencing, and rentals; and specialty scopes such as signage, lockers, toilet accessories, fire extinguishers, and other Division 02–13 opportunities.

Equity & Local Workforce Goals:

Project goals include 18% certified MBE, 3% certified WBE, 15% certified SBE, and overall Absher + DLR spend of at least 21% MWBE. Local workforce goals include 15% local employment and 15% Washington State apprentices from the TPU service area.

Who's Invited:

All certified Small Businesses: MBE, WBE, SBE, Veteran-Owned businesses, local Pierce County and Tacoma/TPU service area firms, suppliers, subcontractors and primes looking for tier opportunities.

Registration is encouraged. To register, please email:
